

Licensed Massage Therapist

Water's Edge Spine & Sport is seeking a licensed massage therapist who is local to the area, passionate about what they do, eager to develop and grow a solid patient base, and looking for flexibility in their schedule and contractual structure.

Summary

Are you looking to bring your massage therapy practice into an office setting, with a customised schedule and contract that works for you? In brief, this position includes the following benefits/perks:

- Flexible schedule
- Access to your own treatment room and our scheduling/billing/EHR software
- Complimentary chiropractic care

Description

Due to many requests from our current patients, our growing chiropractic office is adding massage therapy to our practice. We are seeking an excellent massage therapist who would like to grow their own client base while providing high-quality treatment to our current chiropractic patients. This position is customizable to fit your needs; we will use the interview process to discuss the contractual and scheduling arrangement that would best benefit you and our office. You will have your own treatment room and a shared waiting area with the chiropractic office, and you will be given access to your own profile/schedule on our scheduling/EHR/billing software.

Responsibilities

As a fully-customizable position, you'll be able to work when it best suits you, and you'll already have a small base of patients at your fingertips. You will:

- Work with Dr. Kintigh to incorporate massage therapy sessions into patients' individual treatment plans to complement their chiropractic and musculoskeletal needs
- Maintain treatment room, schedule and billing in a professional manner
- Interact with patients in a punctual, positive way that leaves them feeling well-cared for inside and out

Qualifications

We pride ourselves in our positive, professional office atmosphere where we help patients accomplish their individual treatment and overall health goals. To join our practice, you need:

- A valid Massage Therapy License in the state
- Proficiency in medical and deep tissue massage

- Certification in other various modalities preferred (Neuromuscular, Myofascial, Trigger Point, Prenatal, Craniosacral, Active Release Technique) but not required
- Excellent customer service skills and work ethic
- To exemplify and promote a healthy lifestyle both professionally and personally

Benefits

In addition to a safe, clean treatment space we offer:

- Flexible schedule
- Your own treatment room and a shared waiting area with the chiropractic office
- Access to your own profile on Jane App, our scheduling/EHR/billing software
- Promotion of therapist's service in chiropractic treatments
- Complimentary chiropractic treatments
- Employee referral bonus
- Growth opportunities
- Family culture with Christian values

About Water's Edge Sport & Spine

Dr. Kintigh is a second-generation chiropractor who was raised in Jackson, MI. With a Bachelor's degree in Athletic Training from Indiana Wesleyan University and a Doctorate in Chiropractic Medicine from Logan University, Dr. Kintigh opened Water's Edge Spine & Sport in the township of Fruitport in the winter of 2021. Our practice specializes in treating musculoskeletal conditions throughout the body using a conservative trial of care. Treatment consists mostly of the combination of mobilization of joints that aren't properly moving, exercises to stabilize joints that aren't stable, and muscle work to relieve tension and correct faulty movement patterns.
